Trace capital A

Use a pencil or crayon. Show your child one stroke at a time.

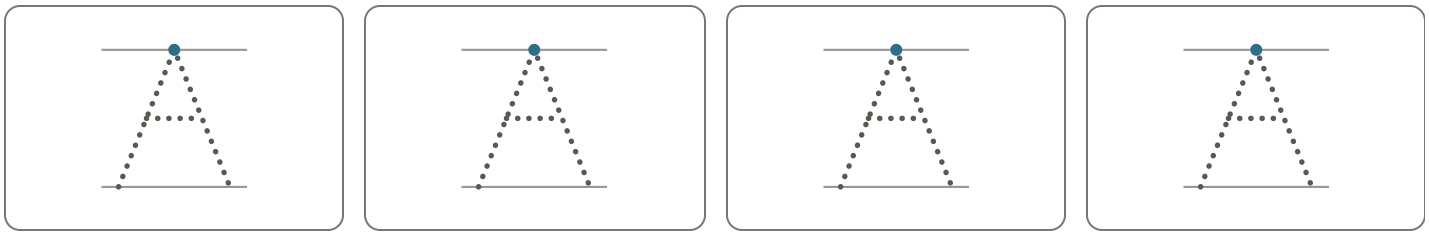

1. Show the three strokes

1. Start at the top. Draw a slanting line down to the left.
2. Go back to the top. Draw a slanting line down to the right.
3. Draw the middle bar from left to right.

2. Trace the dotted letters

Start each letter at the top dot.

3. Write two more

Use the lines to mark the top and bottom of each letter.
